MEMORANDUM FOR: Deputy Director for Plans

SUBJECT

:

1. I would be remiss in not expressing my appreciation to you for the recent detail of to this Office.

2. You are aware of the nature of the task performed for us, and I need not recite the difficulties in spearheading an Agency-wide planning study. The thoroughness, objectivity, and logic which characterized the approach Tex took in undertaking the problem and in making his recommendations have resulted in a product of which he, and the Agency, can be justly proud.

3. Again, I thank you for his services and would be personally appreciative if you would make him aware of this correspondence.
